

One Last Chance

V1

In my life I don't mean much to anyone
I lost my way can't go back anymore
Once I had everything now it's gone
Don't tell me again coz I've heard it all before

Bridge

Some people say that I'm not worth it
I've made mistakes but nobody's perfect
Guess I'll give it a try.

Chorus

I've got one last chance to get myself together
I can lose no more time it's now or never and I try to remember who I used to be, I've got one last chance to get myself together.

V2

Time has come for me to change again
I can't carry on like this I will lose my friends – don't say that you have given up on me. Just give me the time and space to heal my head.
