

The Last Goodbye

V1

I don't believe you
And I never will
Oh I can't live by your side
With the lies you've tried to instil
I can't take anymore
I don't have to give you a reason
For leaving this time
Coz this is my last goodbye.

V2

It's like I hardly know you
But maybe I never did
It's like every emotion you showed me
You kept well hidden
And every true word that you ever spoke
Was really deceiving
Now I'm leaving this time
Coz this is my last goodbye

V3

I've gotta turn and walk away
I don't have anything left to say
I haven't already said before
I've grown tired of being used
And I'm sick and tired of being accused
Now I'm walking away from you
And I'm not coming back
