

Undiscovered

V1

I look at you, you bite your tongue
You don't know why or where I'm coming from.
But in my head I'm close to you,
We're in the rain still searching for the sun.

Bridge

You think that I want to run and hide,
I keep it all locked up inside, I just want you to find me.

Chorus

I'm not lost; I'm not lost, just undiscovered
And when we're alone we are all the same as each other.
You see the look that's on my face
You might think I'm out of place –
I'm not lost, no, no, just undiscovered.

V2

Well the time it takes to know someone
It all can change before you know it's gone.
So close your eyes and feel the way I'm with you now
Believe there's nothing wrong.

Bridge

Chorus

M8

I'm not running, I'm not hiding,
But if you dig a little deeper, you will find me.

Chorus repeat
