

Wonderful World

V1

I've been down so low
People look at me and they know
They can tell something is wrong
Like I don't belong

V2

Staring through a window
Standing outside, they're just too happy to care tonight
I want to be like them
But I'll mess it up again

Br

I tripped on my way in
And got kicked outside, everybody saw...

Ch1

And I know that is a wonderful world
But I can't feel it right now
Well I thought that I was doing well
But I just want to cry now
Well I know that it's a wonderful world
From the sky down to the sea
But I can only see it when you're here, here with me

V2

Sometimes I feel so full of love
It just comes spilling out
It's uncomfortable to see
I give it away too easily
But if I had someone I'd do anything
And never ever ever let you be alone
I won't, leave you on your own

Br2

But who am I to dream?
Dreams are for fools, they let you down...

Ch2

M8

I'd I wish that I could make it better
I'd give anything for you to call me
Maybe just a little letter
Oh, we could start again
